

17 March 2020

Dear Parents

We have had a few requests regarding a drop in fees for the coming term and ask parents to please understand that the club still has rental and equipment to pay as well as coaches. All classes will be caught up to the best of our abilities.

Term 2 was also a longer term (11 weeks) and our Termly fees are based on 8-10 lessons a term (Tiny Tots, Beginners and Intermediate/squad classes) which means if we return on the 14<sup>th</sup> April the lessons will still be covered.

All our competition groups (level 1-7) who have monthly fees will be able to make up their lesson by coming in an extra day during the week and we will add in a few Fridays/saturdays if need be. Also a reminder that fees are not a 'monthly payment' for the month but a yearly payment split into 11 months.

Osne term (3 month) notice period still applies to termly and monthly paying gymnasts.

No gymnast will be 'short changed' on their classes and we will do our best to make sure classes are covered.

Invoices will be still be sent out and we ask that parents stick to the payment due dates.

For those parents who still owe fees thus far, are to please make sure this is done by Friday so that we can close off Term 1.

Thank you for your understanding.

Donna Lowry  
Head Coach.
